**Dear Sir (s),**

We wish to inform and as you may be aware, that the disbursal of the drawback was earlier done through ports. However, with effect from 5th June, 2024 as conveyed vide instruction no 15/2024 dated the 29th May 2024, payment of Duty Drawback (DBK) amounts into the exporters' accounts post scroll out, will be facilitated through the Public Finance Management System (PFMS) and will be directly credited to the bank accounts of the exporters.

However, as received quite a few representations of the same not being credited to their accounts post 5th June 2024, despite the scroll being generated. We took up the issues as collated till 15/1/ 2025 and persuaded the same with the appropriate authorities in CEGATE and to the concerned division in the Drawback department as well.

As conveyed by ICEGATE, the list of drawback amounts credited to exporters' accounts as well as details on pending cases along with the reasons with action to be taken is attached.

The same may kindly be perused for further necessary action accordingly. For any further clarification, please feel free to reach out to the undersigned at [isepcho@gmail.com](mailto:isepcho@gmail.com);
